# STATE OF HISPANIC RACE AND ETHNICITY:

## CENSUS 2020 CHANGES AND IMPLICATIONS FOR ADDRESSING SOCIAL INEQUALITIES

This half-day conference focuses on the conceptual, methodological and policy implications of combining the race and ethnicity categories in the 2020 U.S. Census. Scholars, researchers, practitioners, community members, and policy makers will dialogue about the use of racial and ethnic data for interrogating social inequalities, particularly among diverse Latina/o/x communities.
