Maryland Population Research Center
Conference Room 0124**

A light lunch will be served.

MODERATOR:

Dr. Linda Aldoory

Herschel S. Horowitz Endowed Chair and Director of the
Center for Health Literacy, School of Public Health

The Qualitative Research Interest Group (QRIG) is a working group of faculty and graduate students who use qualitative and mixed methods in their research. Central to the work of QRIG is a focus on the intersectional dimensions of inequality and a commitment to social justice. QRIG seeks to raise the profile of qualitative methodologies in order to capture the lived experiences of understudied and marginalized populations.
